

Trapp Technology Ranks on Inc. 500 List of Fastest-Growing Private Companies in U.S. in 2015

Arizona IT solutions company ranks #396 in America and #9 in Arizona on the 34th annual Inc. 500 list with three-year sales growth of 1,187%

Scottsdale, Arizona – August 25, 2015 – Scottsdale-based Trapp Technology, a provider of IT, Internet, VoIP, and cloud hosting solutions, is proud to announce its second consecutive appearance on Inc. Magazine's prestigious list of fastest-growing private companies in America in 2015. Based on a three-year sales growth of 1,187%, Trapp Technology ranks #396 overall, #37 in the IT Services Industry, and #9 in the state of Arizona. In 2014, Trapp Technology debuted on the Inc. 500|5000 list at #294.

Honorees ranked in the top 500, represent the top tier of the Inc. 5000 and must have experienced at least tenfold growth sales in the past three years. This year's Inc. 500 achieved a median growth rate of 1,772%. Collectively, these companies created 57,822 jobs. Trapp Technology now shares a pedigree with Intuit, Zappos, Microsoft, GoPro, FitBit and other notable Inc. 500 alumni leading the American economy.

"Trapp Technology's core mission has always been 'Redefining IT Solutions for Business' through a holistic approach of delivering industry-leading IT solutions, paired with extraordinary U.S.-based customer care, to businesses of all sizes," says David Trapp, CEO of Trapp Technology. "Our second consecutive inclusion in the Inc. 500 list reflects the company's formidable growth and sustained success, undoubtedly achieved through the commitment and hard work of each individual at Trapp Technology."
