

Trapp Technology Recognized for Third Consecutive Year on Inc. 500|5000 List of Fastest-Growing Private Companies in U.S.

Arizona IT solutions company ranks #521 in America and #15 in Arizona on the 35th Annual Inc. 500|5000 list with three-year sales growth of 734%

Phoenix, Arizona – September 20, 2016 – Phoenix-based Trapp Technology, a provider of cloud, VoIP, IaaS, and IT solutions, is proud to announce its third consecutive appearance on Inc. Magazine's prestigious list of fastest growing private companies in America in 2016. Based on a three-years sales growth of 734%, Trapp Technology ranks #521 overall, #48 in IT Services Industry, and #15 in the state of Arizona. Trapp Technology debuted on the Inc. 500|5000 list at #294 in 2014, and ranked #396 last year.

"Trapp Technology's third consecutive appearance on the Inc. 500|5000 list is reflective of our consistent ability to meet the growing market demand for world-class IT solutions, customer experience, and professional services. Through expanded product offerings, strategic acquisitions, and the hard work of our employees, we've experienced significant growth during this period," says David Trapp, CEO of Trapp Technology. "I'm extraordinarily proud and thankful for the contributions of each individual at Trapp who are committed to redefining the IT industry, year after year."

The 2016 Inc. 5000 honorees boast the most competitive statistics in the list's history. The average company on the list achieved a three-year growth rate of 433%. Collectively, the Inc. 5000 companies comprised 8% of the entire job creation with approximately 640,000 jobs generated during that period. Trapp Technology now shares a pedigree with Intuit, Microsoft, GoPro, Oracle, and other powerhouse alumni. The 2016 list welcomes Square, Dollar Shave Club, and Yeti Cooler among other notable newcomers.
